# **On the following pages you will find the church's program for January-July 2021**

This edition is a little different.

There are some dates missing in the calendar for some of the activities, for example for the children's club in Houlkær, the play group in Selah Center and café evenings.

This is not because the activities without dates are closed down. It's simply because there is still some uncertainty about how and when these activities can be held - the reason is covid-19 and the guidelines related to it.

See the description of all the different activities and keep an eye out for further information and start dates on the church's website, Facebook and information in Selah Center.
