January-July 2022

On the following pages you will find the church's program, along with a description of the various meetings and activities.

Expectation is an expression of the faith, which is based on trust, the expectation is shown and becomes visible, through thought, word and action.

How many times do we not see in the scripture that God gave His people the opportunity for a new beginning, here I will just mention a few among many examples: When God let Noah build an ark, when Israel migrated out of Egypt, several times during their time in the wilderness, when they took the Promised Land and several times thereafter.

At the time of writing this, we have just finished the Christmas season and are now facing the new year. What is all this Christmas celebration about? It is simply, that in the midst of a dark and hopeless time, God proclaimed a new beginning. It was not just to his people Israel, but to all people that the new beginning was proclaimed: "Behold, I bring you great joy."

And during Easter we celebrate that Jesus was crucified and gave His life, so that we could experience the miracle of salvation and eternal lifem when we have faith in Him. By his death and resurrection, we have the opportunity to experience a new beginning. John 3:16 "For thus hath God loved the world ..."

Also on a personal level, there may be an experience of gray weather and winter, and perhaps not much to rejoice over. But then I want to remind all of us that he came and he gives us the opportunity for a new beginning.

Greetings from Pastor Ruben
