When you come to worship in VIP you can expect to hear the Word of God preached without compromise in a simple, practical way.

You get the opportunity to enjoy God's presence and worship Him with others who also love Him.

You can expect to experience the Holy Spirit in your life.

A word from the pastor

“Take courage”

When Jesus gave his life as an atonement for our sins on Calvary, we were given a unique chance for a new beginning.

In the pastor's words this spring, we looked more closely at what we are and have in Christ.

Now we go further and talk about the fact that now it is about regaining the faith and trust in God and seize the God-given opportunity for a new one beginning.

Now it is up to us, as God's people, not to lose heart or to give up hope, but to patiently lift up the shield of faith.

Do not go back to Egypt!

The Israelites, during their wanderings in the desert, could have chosen to walk

back to Egypt. For the meat pots, the familiar, the safe, the old customs and habits, to follow known cultural patterns.

Fortunately, they didn't.

Nor would it have helped or solved their problems.

Only going forward led them to the promised land.

Whenever they were tempted to give up and return to Egypt, they were met with the words:

"See what great things the Lord has done for us."

The Lord says:

“I know who my people are, and I want to be with my people.

His people will experience a new time where faith, love and devotion will grow if they turn to God in humility, with expectation and trusting in him.

They will be strengthened, and prosperity will come, resistance will be broken, fortifications will crumble, and walls will fall.

God's people will find that now there is time to build up, to encourage, to uplift and to bless.

First, it is necessary to put on the work clothes and start to work, only with the progress of God's kingdom in view. It is just as important that we reach out, and take what is ours, According the promises of God.

It is time for God's people to stop allowing themselves to be controlled and rule by the spirit of the times. We are supposed to have most influence on the spirit of the times, not the other way around.

"We are not called to be the tail but to be the head"

Deuteronomy 28:13

Therefore, it is important that we understand who Christ is and what we are in him.

Imagine if we understood what we have been given access to in Christ.

It is necessary that we become aware of our responsibility as God's people, who we are and what our task is, who and what we are up against and what resources are available to solve the task.

A pastor from Virginia, from Hopewell Baptist Church, once said this in a TV program:

"If you serve God the Lord, then you automatically have all the power of hell against you. And if you serve God the Lord, then you automatically have all the power of heaven behind you"

Therefore, take courage, because it is written in the scriptures, in Romans 8:31 "What more is there to say! If God is for us, who can be against us? "

We will end with a quote from Spurgeon, the well-known and influential preacher of his time:

"It's always too early to give up"

Greetings Pastor Ruben

Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will. Rom. 12:2

HEART OF WORSHIP

(Heart of Worship - Matt Redman)

When the music fades
All is stripped away
And I simply come
Longin' just to bring
Something that's of worth
That will bless Your heart

I'll bring You more than a song
For a song in itself
Is not what You have required
You search much deeper within
Through the ways things appear
You're looking into my heart

I'm comin' back to the heart of worship
And it's all about You
It's all about You, Jesus
I'm sorry, Lord, for the thing I've made it
When it's all about You
It's all about You, Jesus

King of endless worth
No one could express
How much You deserve?
Though I'm weak and poor
All I have is Yours
Every single breath
